FURY!
HAPPY BIRTHDAY, SUEY! ARE YOU READY FOR YOUR PRES-ENT?

PREVIOUSLY

Yamada Momo started out as nothing but a bookworm. But with Ranmaru's help, she suddenly became a beauty. After her transformation, she agreed to go out with Yano who had begun to like her even though he had rejected her once before.

However, Momo couldn't keep herself from being attracted to Ranmaru and his natural flowery scent. And, so, during a class trip to the ocean, the two kissed. The only problem with this is the fact that Ranmaru is already going out with Sakuma senpai—

After Momo realized her feelings for Ranmaru, she broke up with Yano, but she still got bullied by her jealous female classmates. Fortunately, she was saved—but it wasn't Ranmaru who saved her. It was actually the super idol, Kanon! Momo couldn't resist his body's seductive flowery scent, so she ended up kissing him. What is Ranmaru going to do about it—?!

For more details, please refer to *Hana ni Nare!* 1-2 (already in stores)!

I don't own a playstation (or a SEGA Dreamcast or a Nintendo 64), but I still like playing video games.

My hand-eye coordination isn't good, though. Plus, my reflexes are slow, so I can't play shooting games instead, I play puzzle-type games like Shanghai and adventure-type ones like RIVEN. But the game I love most definitely has to be Haunted House! I haven't played the sequel yet, but as soon as I finish working, I'm going to rush over to the nearest store and buy it!!

I'M SHOOTING A COMMERCIAL TODAY
IS IT OKAY FOR ME TO BE HERE? YOU'RE NOT TOO BUSY RIGHT?
IT'S FINE
I JUST WANTED TO SEE YOU, THAT'S ALL
I'M SORRY ABOUT YESTERDAY...
I'VE NEVER CONFIDED SO MUCH IN ANYONE BEFORE
I'M EMBARRASSED NOW THAT I LET YOU SEE THAT SIDE OF ME...

Message From the Author

What began as a school life story has expanded so much that you can go back in time (I should do that someday) Momo-nn seems to have a difficult time with so many characters (all boys.) but I have a hard time drawing them as well Ranmaru is probably the hardest to draw. Fu fu ♡ That makes this story more fun if you think about it I hope that everyone will continue to look forward to the story ♡ (Miyagi Riko)

Everyone, thank you for sending me all your letters! You've made me very happy! But, I never have much time to reply to them, so I'm really sorry to all of you who have been waiting for a response.

On that note, a reader sent me a letter and asked, "How can I become a mangaka?" Well, here's what I think you should do to become a shoujo mangaka!

First, you have to like to draw! It doesn't matter whether you're good at it or not. The most important thing is that you like to do it! You have to like it even more than eating three meals a day or else you might give up before you've drawn even half a chapter!

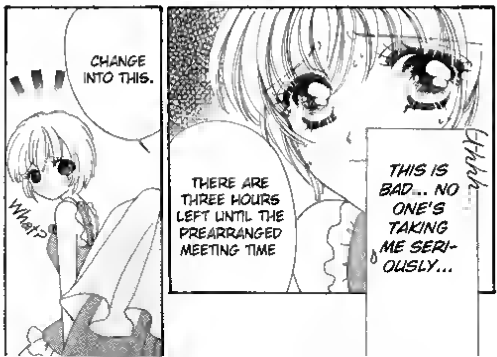
Chatterbox

The road to becoming a mangaka! (continued)

Even though a lot of people want to do what's necessary to become a mangaka right after they graduate from junior high, I think that's a bad decision.

In my opinion, to become a mangaka, you should wait until you finish high school at least and gain a little more life experience. It's not not too late to start drawing after that. I didn't debut until my fourth year in college!

You should also take note of cool people, pretty things, cute things, interesting things, things that move you, etc. It'll help you to think about these things before you start creating a story.



CHANGE INTO THIS.
What?

Umekichi (17)

Born: october 10th
Blood type: A
Height: 5'9"
Weight: 137 lbs

He was in the same kindergarten class as Ranmaru and Aya

He's basically a second rate hanabito compared to Ranmaru. Even if Ume has girls by his side he can't keep them when Ranmaru is nearby. He's not exactly a bad guy, but the way he makes his living is certainly suspicious. Right now he's willing to do anything in order to make money

Kagami Yuriya (21)
Born on December 23th
Blood type A
Height 6'1"
Occupation CEO
He is educated and talented
I don't know if it's just his personality, but he's a bit weird. When it comes to cleaning, he might even be obsessive-compulsive. He doesn't seem to have a good relationship with his father. The flower that fits his image is the black lily and the color that fits his image is black. His earring was made from agate.*
*Agate is a type of gemstone that's believed to protect its wearer from danger

NO, IT'S THE GODDESS FLORA.
MOM, IS THAT YOU?
Why is the whole country fighting over me?
I can't take this! I beg all of you to stop!
I only wanted someone to love me.
This isn't what I wished for, either.
That's why I hope you don't experience this kind of pain.
